

Gatton Waters - walk 2

local pubs

Approx 6.1 miles (for a full circuit, less if you turn back after the pub!)
(160 minutes)

Please check *sunset times* before setting off.

The walk is mostly suitable for *dogs*, though The Anvil won't allow them inside (The Three Horseshoes and The Union Jack will).

Please be responsible as there may be sheep and cows about, and it's probably best *not to walk with a dog* from The Union Jack back to The Anvil as it's mostly road.

Always stick to the footpaths as highlighted. The A148 is a very *busy road* so please take care when crossing.

- 1 Take a left as you exit the reception car park, and follow the entrance track until you reach the layby, turning left for 5 minutes until you reach the A148.
- 2 Cross the A148 and head 50 yards or so in the direction of Hillington, quickly reaching the layby. At the layby, turn right into a country lane, past the gate house on the left, continuing on it until you see a large country house on your left. Branch off here onto the muddy track with trees on either side and continue walking until you reach an open field.
- 3 Take a right staying at the bottom of the field, crossing the dyke in the corner on a small wooden bridge into the next field, turning left walking with the hedgerow on the left, then right at the end of the field before hitting a track that leads up

gatton waters

to farm buildings. Continue to walk on this track and in 5 minutes you will be at The Anvil.

- 4 At The Anvil, take a right onto St Andrews Lane, and then the first left onto Broadgate Lane. Though quiet, these are narrow roadways, so please take care. Continue all the way down Broadgate Lane, taking a right at the end, where you will see The Three Horseshoes.
- 5 Continue walking west down Lynn Road, quickly taking a right into Low Road, and at the end right again into Station Road, where you will soon reach The Union Jack.
- 6 Continuing on Station Road, eventually you will reach the west end of St Andrews Lane, turning right and returning to The Anvil in 15 minutes or so.
